

## CURRICULUM VITAE

### **Correspondance:**

#### **Office:-**

**GAJENDRA SINGH, Ph.D.**

Scientist-SC

Uttarakhand Space Application Centre

Government of Uttarakhand

131, Phase-2, Vasant Vihar

Dehradun, 248006

Uttarakhand, INDIA

Ph. +91-9412160152

e-mail: [gajendrawat@yahoo.com](mailto:gajendrawat@yahoo.com)

### **Residence:-**

**Dr. Gajendra Singh**

C/o Dr. G.S. Rawat

“Carissa Cottage”

14, Doon officers enclave, Chandrabani

Dehradun, 248001

Uttarakhand, INDIA

Ph. +91-9412160152

e-mail: [gajendrawat@yahoo.com](mailto:gajendrawat@yahoo.com)

## **Specialization**

---

**Plant identification, Population study, Forest ecology, Spatial vegetation monitoring and Natural resource management**

## **Current Ongoing Projects**

---

- Survey and Mapping of Medicinal and Aromatic Plants (MAPs) and other RET/NTFPs in alpine regions of Uttarakhand and Developing Uttarakhand-Alpine Information System (UK-AIS)
- Mainstreaming Landscape approach for Biodiversity Conservation, Improvement Livelihood and Ecosystem Health in Indian Part of Kailash Sacred Landscape.
- Biodiversity Characterisation of Sacred groves of Uttarakhand.

## **Completed projects:**

---

- Kailash Sacred Landscape Conservation and Development Initiative (KSLCDI)
- Empowering Panchayati Raj Institutions Spatially (EPRIS)
- Space Based Information Support for Decentralized Planning (SIS-DP)

## Work/Research Experience

---

- **November 2014 onwards. Working as Scientist/Engineer-SC in Forestry and Climate Change Division, Uttarakhand Space Application Centre (USAC), Government of Uttarakhand.**

- November 2013 to October 2014. **Field Coordinator-** G.B. Pant Institute of Himalayan Environment and Development, Kosi, Almora, Uttarakhand in a project entitled “Kailash Sacred Landscape Conservation and Development Initiatives”.

This was a collaborative programme of China, India and Nepal and currently running in the country. Coordination work involved development of various field methodological frameworks for biodiversity assessment, liaising with line departments and conducting field data collection work.

- October 2010 to October 2013. **Young Scientist-** Wildlife Institute of India (WII) Dehradun. Worked on: Ecological assessment of Banj oak (*Quercus leucotrichophora*) forest with reference to invasion by Chir Pine (*Pinus roxburghii*) in Kedarnath Wildlife Sanctuary, Western Himalaya.

This work involves the estimation of possible edaphic and plant diversity variation while banj oak forests converts into the Chir pine (*Pinus roxburghii*).

- June 2009-October 2010. **Research Fellow** at Wildlife Institute of India project entitled “Assessment of Banj oak (*Quercus leucotrichophora*) forests and their conservation in Uttarakhand”.

It involved the spatial distribution, status and threats across the districts. The various banj oak patches viz., intact, degraded and intermixing with chir pine (*Pinus roxburghii*) were found for Uttarakhand state.

- July 2005-July 2007, **Junior Research Fellow** and August 2007-June 2009. **Senior Research Fellow** at Wildlife Institute of India, in a project entitled “Geospatial phyto-resources inventory in the outer fringe of Kedarnath Wildlife Sanctuary, Western Himalaya”.

This work involved the quantification of forest availability, distribution, utilization pattern and management by the local communities in the outer fringes of Kedarnath Wildlife Sanctuary.

- April 2005-May 2005. **Field Taxonomist-** Wildlife Institute of India. Prediction of forest height and biomass in dry and moist deciduous forests using the Geoscience Laser Altimeter System.

It involved identification of specific plot locations using GPS, laying vegetation sample plots, collecting hemispherical photos and soil samples.

- June 2004- March 2005. **Field Assistant** at Wildlife Institute of India in a project entitled “An alpine expedition covering alpine region of Western Himalaya (Uttarakhand, Himachal Pradesh and Jammu & Kashmir).

It involved characterization of alpine meadows of Uttarakhand, Himachal Pradesh and Jammu & Kashmir (Western Himalaya) and trekked ~3000 km on foot. Rapid Mapping Exercise (RME) for Medicinal and Aromatic Plants (MAPs) was performed across the alpine region.

## Academic Qualification

---

- **Ph.D. in Botany** (2009) from Kumaun University Nainital on “**Diversity pattern of vascular plants in some parts of Kedarnath Wildlife Sanctuary (Western Himalaya)**”.
- **M.Sc. Botany** (2004) from Govt. P.G. College Pithoragarh, Kumaun University Nainital with specialization in Plant Taxonomy and Plant Pathology.
- **B.Sc.** (2002) from Govt. P.G. College Pithoragarh, Kumaun University Nainital with Zoology, Botany and Chemistry.

## Details of Research Publications:

---

### Books: 2 (Two)

1. Ishwari Datt Rai, **Gajendra Singh** and Gopal Singh Rawat (2017). Plants of Kedarnath Wildlife Sanctuary, Western Himalaya, A field Guide. Bishan Singh Mahendra Pal Singh, Dehradun.
2. **Gajendra Singh**, S. Lingwal, A. Pandey and MPS Bisht (2019). An Atlas of Kailash Sacred Landscape-India. Winsar Publication, pp 102.

### Manual: 1(one)

1. Bubb, P., Soesbergen, A.V., Bisht, N., **Singh Gajendra**, Joshi, S., Aryal, K., Danks, F.S., Rawat, G.S., Bhuchar, S., Wu, N., Kotru, R., Yi, S. (2017). Planning management for ecosystem services – An operations manual. ICIMOD Manual 2017/5. Kathmandu: ICIMOD.

### Research Publications (published)

---

1. I. D. Rai, **Gajendra Singh**, A. Pandey, G.S. Rawat (2019). Ecology of Treeline Vegetation in Western Himalaya: Anthropogenic and Climatic Influences. Garkoti S.C., Van Bloem J.S., Fulé P. Z., Semwal R.L. (Ed.). Tropical Ecosystems: Structure, Functions and Challenges in the Face of Global Change. Springer, pp 322.
2. Padalia H., A. Bushra, **Gajendra Singh**, S. Nandy, I.D. Rai and G.S. Rawat (2018). Spatial pattern of plants functional types and environmental proxies of plants richness in alpine region of western Himalaya. Biodiversity and Conservation 24 (14).

3. **Gajendra Singh**, M. S. Sarkar, A. Pandey, S. Lingwal, I. D. Rai, B. S. Adhikari, G. S. Rawat, R. S. Rawal (2018). Four decades of changes in land use and land cover in Kailash Sacred Landscape – India. *Journal of the Indian Society of Remote Sensing*, 46(10): 1625-1635.
4. Sarkar, M. S., A. Pandey, **Gajendra Singh**, S. Lingwal, G. S. Rawat and R. S. Rawal (2018). Multiscale statistical approach to assess habitat suitability and connectivity of common leopard (*Panthera pardus*) in Kailash Sacred Landscape, India. *Spatial Statistics*, 28, 304-318.
5. A. Pandey, M.S. Sarkar, M. Kumar, **Gajendra Singh**, S. Lingwal, J. S. Rawat (2018). Retreat of Pindari glacier and detection of snout position using remote sensing technology. *Remote Sensing Applications: Society and Environment*, 11: 64-69.
6. Rai, I.D., **Gajendra Singh**, G. Rawat (2018) *Anemone trullifolia* and *Berberis angulosa* as new record to the flora of Western Himalaya. *Journal of Threatened Taxa*. 10(5): 11679-11682.

## **Paper Presented in Various Seminars/Symposiums/Workshops:**

---

### **(National/International):**

1. Commonwealth Forestry Congress (**April, 2017**). Decadal changes in the Alpine meadows of Western Himalaya: A case study from Kailash Sacred Landscape-India.
2. Young Ecologist Talk and Initiatives (YETI)-2012. Participated and organized a workshop on Field course on Plant Taxonomy.
3. 6<sup>th</sup> Uttarakhand State Science and Technology Congress-2011. S.S.J. Campus Almora (**November 2011**). Assessment of Banj oak (*Quercus leucotrichophora*) forests and their conservation in Uttarakhand.
4. International conference on Biodiversity and Conservation (**December 2010**) at G.B. Pant G.B. Pant Institute of Himalayan Environment & Development, Kosi-Katarmal, Almora.
5. 5<sup>th</sup> Uttarakhand State Science and Technology Congress-2010. Doon University, Dehradun (**November 2010**). Status of Banj oak (*Quercus leucotrichophora*) Forests in Garhwal Himalaya, Uttarakhand.
6. 4<sup>th</sup> Uttarakhand State Science and Technology Congress-2009. G.B. Pant University of Agriculture & Technology, Pantnagar (**November 2009**). *Structure and composition of woody vegetation along the altitudinal and human use gradient in the Kedarnath WS, Western Himalaya.*
7. International conference “Changing Environmental Trends and Sustainable Development” (CETAS-2009), Deptt. of Env. Sc. & Eng. Hisar (**February 2009**). *Forest resource diversity and utilization pattern in the outer fringes of Kedarnath WS, Western Himalaya.*
8. International seminar on Role of Plant Taxonomy in Biodiversity Management and Human welfare, Forest Research Institute (FRI) Dehra Dun (**December 2008**). *Diversity, status and conservation of oak (Quercus spp.) forests at Mandal-Tungnath region in Kedarnath WLS, Western Himalaya.*
9. Seminar on Opportunities and scope for research in government colleges, Govt. P.G. College Pithoragarh (**March 2007**).
10. Regional capacity building workshop on Orchid Taxonomy and Conservation, Botanical Survey of India, Dehra Dun (**March 2007**).
11. Symposium on Himalayan Biodiversity- Issues and options for Priority Research. G.B. Pant Institute of Himalayan Environment & Development, Kosi-Katarmal Almora (**March 2006**).

### **Invited Lectures Delivered:**

---

1. Orchids of Uttarakhand at Forest Research Institute, Haldwani March 2019.
2. Alpine Meadows of Western Himalaya: Biodiversity, Status and Threats at Graphic Era, March 2018.
3. Degraded Natural Habitats and their Restoration under the GSDP-Advance Course at Botanical Survey of India, February 2018.

## **Training Workshop Attended**

---

### **National**

1. Off Campus Outreach Certificate Programme on “**Remote Sensing and GIS Application in Carbon Forestry**” organised by Indian Institute of Remote Sensing during February 16 to March 10, 2017.
2. Training programme on “**Office Management and Procedures**” organised by Will and Skill Creation Private Limited at Dehradun during 14-17 December, 2016.
3. Regional Training workshop on “**Promotion of Metadata Use and Data Paper Publication**”, held at Institute of Environment Education and Research, Bharti Vidhyapeeth University, Pune, India from 19-21 June, 2013.
4. DST, Govt. of India sponsored training workshop on “**Role of Scientist in Biodiversity Conservation**”, conducted by Wildlife institute of India, Dehradun from 8-13<sup>th</sup> November 2010.

### **International**

1. Training workshop on “**Understanding multiscale linkages in Ecosystem Services assessment using ARIES platform**” in the Hindukush Region from 8-10 November 2016, Kathmandu, Nepal.
2. Training Workshop on “**Piloting Ecosystem Management Framework in Transboundary Landscapes**” from 5-7 September 2014, Kathmandu, Nepal.
3. Transboundary “**Programme Awareness and Implementation Strategy Workshop**” from 21-23 April 2014, Dhangari, Nepal.
4. One week course on: “**International School on Mountain Ecology and Global Change**”, from 24-28. 2012. **University of Innsbruck, Austria.**

## **Training/ Workshop Conducted**

---

1. Conducted training on the Application of Bhuvan Panchayat Portal and Asset Mapping Activities under EPRIS project at Vikash Bhawan, Pithoragarh on November 25, 2017.
2. Conducted people representative meet on “*Our Heritage our Identity*” under Kailash Sacred Landscape Conservation and Development Initiative (KSLCDI) organised jointly by WII, GBPIHED, USAC, UKSBB, UKFD, CHEA at Sabhagar, Zila Panchayat, Pithoragarh (November 25, 2017).
3. Conducted District Level workshop on “*Empowering Panchayati Raj Institutions Spatially (EPRIS)*” to the representatives of Panchayati Raj Institutions (PRIs) of District Pithoragarh on November 24, 2017.

4. Conducted Block Level Workshop on “*Empowering Panchayati Raj Institutions Spatially (EPRIS)*” to the representatives of Panchayati Raj Institutions (PRIs) of Pithoragarh (Bin) and Munakot Blocks during April 10-12, 2017.
5. Off Campus Outreach Certificate Programme on “**Remote Sensing and GIS Application in Carbon Forestry**” organised by Indian Institute of Remote Sensing during February 16 to March 10, 2017.
6. Conducted “*Diversity our Heritage our Identity*” workshop under Kailash Sacred Landscape Conservation and Development Initiative (KSLCDI) organised jointly by WII, GBPIHED, USAC, UKSBB, UKFD, CHEA at Gangolihat, KSL-India (December 28-30, 2016).
7. Uttarakhand State Meet on “*Promoting Space Technology based Tools and Applications in Governance & Development*” organised by Uttarakhand Space Application Centre (USAC) on 27 February, 2016.
8. Training on *National database on Emergency Management (NDEM)* was organized Jointly by Uttarakhand Space Application Centre (USAC) and National Remote Sensing Centre, Hyderabad on 2<sup>nd</sup> July, 2015.
9. Field Course on Plant Taxonomy, held at Punian’s Corbett Fall Resort, Nainital organised by Wildlife Institute of India, Dehradun from 15-19 March, 2009.
10. Workshop on “*Mandal Ghati ke Vano ki Vartaman Sthithi wa Sanrakshan par Karyashala*” at Mandal, Chamoli, Uttarakhand organized by Wildlife institute of India, Indian Institute of Remote Sensing, GB Pant Agriculture & Technology, Herbal Research Development Institute and Forest Department, Uttarakhand on 28<sup>th</sup> April, 2008.

### **Mentorship (Master students)**

---

1. Nupur Bhatia (2019). Geo-spatial mapping of alpine vegetation types of Kumaun Himalaya, Uttarakhand, India. SSJ Campus Almora, Kumaun University Nainital.
2. Charu Pundir (2019). Land use Land cover classification and change analysis (1976 to 2018) in the Kailash Sacred Landscape-India. SSJ Campus Almora, Kumaun University Nainital.

### **Technical Skills**

---

- Identification of angiosperm plants
- Image processing, digitization in ERDAS and Arc-Map
- Establishing long term monitoring plots, collection of vegetation data
- Well versed with MaxEnt, PC Ord, Biodiversity Pro, PAST
- TURBOVEG & JUICE, TWINSpan software for vegetation analysis.

### **Award and Membership in Professional Bodies**

---

1. Young Scientist Award in 2009, from Department of Science and Technology
  2. Life member of Indian Science Congress
  3. Annual member of Journal of Tropical Ecology
  4. Life Member of Indian Society of Remote Sensing (ISRS), Dehradun Chapter
  - 5.
-

## **International Exposure**

---

1. One week course on: “**International School on Mountain Ecology and Global Change**”, from 24-28. 2012. **University of Innsbruck, Austria.**
2. Transboundary **Programme Awareness and Implementation Strategy Workshop** from 21-23 April 2014, Dhangari, Nepal.
3. Training Workshop on **Piloting Ecosystem Management Framework in Transboundary Landscapes** from 5-7 September 2014, Kathmandu, Nepal.

## **Extra Curricular Activities**

---

1. 2004. Member of Kumaun University Cricket Team.
2. 2006. Member of Wildlife Institute of India’s Badminton Team.
3. 2007. Member of Wildlife Institute of India’s Hockey Team.
4. 2008 and 2011. Member of Wildlife Institute of India’s Cricket Team.
